Bullying in any form will not be tolerated.

Aims Of Policy

- To create a supportive climate and break the code of secrecy.
- To raise awareness of the issues involved with bullying and provide information to Athletes and parents.
- To support and empower targeted members.
- To implement procedures to address bullying behaviour

Definition

Bullying is the misuse of power, position or privilege. It is done to intimidate, coerce, create fear, control, embarrass, exclude, or cause pain or discomfort.
It may be:

- Verbal, physical, social, or psychological.
- Planned or unintentional.
- Individual or group actions.
- Of an isolated or continual nature.

Recommended Action If You Are Bullied

1. You may try to deal with it yourself – but don't feel you have to, you will be supported

- Stay calm.
- Ignore it (use self talk and remember often those who bully are disguising their own problems) walk away.
- Identify a network of trusted adults or peers you can talk to seek support from your network - it is good to let someone know what is happening.

If this does not stop the bullying, KEEP REPORTING IT!

2. You may choose to confront the person

- Speak to them one-to-one and ask why they are behaving like this.

- Take a support person e.g. a friend, a committee member, or an older athlete.
- Stand up for yourself - let them know how it makes you feel.
- Tell them you don't like what they are doing and you want it to stop.
- Tell them they are breaking Centre rules that the Centre will enforce.

If this does not stop the bullying, KEEP REPORTING IT!

3. You may seek help - you will be supported

- Go to a Centre Official age manager, parent, another adult or Centre Captain
- Tell the adult everything.
- Decide with the adult and Centre Official on an action plan.

Keep on telling until the bullying stops!
